Get your kicks with kinky Kiki – she's a real live wire (although that might not be advisable in the bathroom). We had the neighbours complaining about the amount of water leaking through into their premises after Kiki thrashed around like a captured seal in the tub, rubbing her boobs, stirring her cunt and orgasming all over the shop. And we hadn't even started shooting!

The hole truth

This is the story of how I discovered my lezzie girlfriend's sex secrets! On the first night with her, back at hers, I laid down next to Lily and started snogging the face off her.

Then she lay back and I started to tongue her perfect pussy till her tangy

juices flooded my mouth.

She wanted some of me too, and got me to sixty-nine her, straddling her face. She knew some very sexy tricks, slipping

a wet middle finger up my arse and her thumb inside my pussy, then sucking on my clit and humming softly, so her lips vibrated against it.

I went to try the same, but she told me just to lick her, that I was doing fine, and the little shakes that ran through her body seemed to prove it.

Afterwards, I asked what was in the big box in the corner of the room. She told me she had to keep some secrets, sliding three fingers up my cunt till I stopped caring what was in there.

The next day, I walked into her bedroom when she thought I was safely in the shower and saw the box was open and full of sex and fetish gear. She didn't notice me because she was lying, splayed wide open, pumping a big rubber dildo into herself!

I soon got the truth out of her after that!

Lily, Brighton.

Black attack

My darling wife Carla has always had this fantasy of getting fucked by a well hung black guy.

We've played the fantasy out so many times over the years, but I was still surprised when Carla suggested that we actually give it a go for real! Just the suggestion made me so hard. I eagerly asked her what she had in mind. Her plan sounded good – we'd do it when we were on holiday in Spain.

Spain was great, and after a couple of days of looking around to find the best places Carla left me in our room and went off on the pull to find the bloke of her fantasy.

When she returned I was waiting, sitting in the corner. She'd obviously explained it all to the guy, who said

hello. Then she treated him to a slow and sexy strip. The enormous bulge in the front of his trousers suggested her black stud was enjoying this as much as me.

Once she was naked, she began to undress the guy. When she finally released his dick I could see why she'd chosen him – he was massive.

Carla knelt down and tried to suck his length into her mouth. She slurped on his big black dick, working her tongue around his cock-head and stroking his bollocks. It was such a turn-on to see my wife acting like such a whore right before my eyes!

She lay back on the bed and offered her snatch up. He plunged his prick into her

her. He rammed in again – she was loving it, and it was such a hot sight I had to get my own cock out and wank!

Carla's face was bright red and she was breathing hard. I knew being stuffed with such a gigantic cock would make

her cum massively!

Soon, she pretty much lost control and went wild, bucking and pushing back onto the guy's dick. When her orgasm was over she caught her breath for a minute, then looked at me and winked. I

wondered what she was doing.

She smeared her cunt juices around her arsehole, and also offered the guy a tube of lube I didn't even know she had. I couldn't believe what I was seeing – she was going to let him fuck her arse!

Once lubed up, he slid his enormous black tool into her arsehole. He could only get a portion of his length in, but it was enough and he began to fuck her arse. It was such a sexy sight I shot my load there and then. Carla was totally into it – what a whore! The guy thrust in and out of her arse. Carla told him not to cum in there as she's never liked that, at which point he pulled out and shot more jizz than I've ever seen shot spurted over her chubby arse cheeks.

After cleaning himself up he left. I was still feeling so horny, but I was worried

Carla had had enough. I was wrong though. She said her cunt was sore, but she wanted me to fuck it anyway, the dirty cow. We're curious to try again, maybe with a girl for me too!

TRUE BUGGAGE

Working as a professional submissive, Alex enjoys acting out her favourite role plays with discerning clients. Terribly naughty, it's her business to be bad!

"I must not be so cheeky. I must not be so cheeky..."

**REAL STORIES
FROM THE
SECRET WORLD
OF UK SEX!**

AFrom a young age I found something delicious about being overpowered by a strong, dominant man and being made to call him 'Sir'.

Getting a secret kick out of being verbally disciplined by teachers, bosses and uni lecturers, I always hoped that my cheeky remarks would earn me a sound spanking. Obviously those real-world encounters never led to anything, but they fuelled my fantasies and now I'm doing a job that allows me to live them out.

Originally I was working as a vanilla escort. There was nothing particularly kinky about my sessions, but I had a favourite client who erred on the kinkier side. He noticed how much I enjoyed my appointments with him and recommended I dabble a bit more in BDSM. I'm so glad he did!

It was like a world of fantasy-fulfilling possibilities had opened up to me, so I set myself up as Submissive Alex. Now, as well as offering some of the more familiar escorting services, I specialise in over-the-knee bare bottom spankings, role-plays including schoolgirl/sixth former, maid, secretary, nurse, slave, hostage/prisoner; bondage with rope or cuffs and switch. This is when the submissive fantasy character switches, takes her revenge and dommes her teacher or master in a bid to show him how much that spanking hurt. Be warned, I can be very mean too!

Often, those that enjoy dishing out a jolly good spanking and giving my bottom a rosy glow are people who grew up in the era of strict school discipline. The cute but formal school uniform of the day is one of my personal favourites: I relish playing a cheeky brat whose skirt is far too short and my luxuriously domestic in-call apartment setting is perfect for this type of erotic play, spanking sessions, or corporal punishment using my many implements.

In fact, one of my sexiest appointments ever was a traditional school role play. A gentleman came to visit me with a stunningly beautiful lady companion. He explained that, like me, she was a very bad girl and we both deserved a thorough session of discipline!

To my delicious embarrassment, he ordered her to spank my bottom while he watched

Interview by Rose Crompton

She looked amazing with her pleated school skirt and tie on, but soon we were both stripped naked and one by one went over his knee for very hard spanking on the bare bottom. After, to my delicious embarrassment, he made me go over her lap and ordered her to spank my bottom while he watched, before swapping! He then instructed us to kiss and cuddle one another to comfort ourselves (which worked a treat!) while he watched our red bottoms in the mirror and touched himself. Then we offered to help finish him off together, like well behaved girls!

Of course not everyone is nostalgic for old school days. My services are incredibly varied and attract people from all walks of life. Some are 18, some are 80, some are couples, some have an adventurous fetish to explore and some are dipping their toe in the water for the first time.

I have a set hourly and half-hourly rate, which includes role-playing, me in any uniform of choice, endless hard hand spanking, and a fully personal erotic service. I charge extra for certain services such as corporal punishment with implements and bondage. A typical session will start with a chat about the role play or service they'd like. When they're ready, I'll go and dress up in the other room, before knocking respectfully and waiting to be called in by Sir or Madam. We will then enact the role play, invariably leading to me bent over their lap, being spanked for some misdemeanour! This may lead to other naughtiness, like me being prepared to do anything to wiggle out of my punishment. Sir is usually quite hot and bothered about my white cotton knickers and red bottom by this point, so I do my best to relieve him. See, I am a good girl really!

At the moment I enjoy playing the naughty maid, who has been caught watching dirty videos while she was supposed to be cleaning the house and must be punished or face the sack. However, I'm always on the lookout for new stories to play out!

Forswearing cock for cunt, Jenna spills the beans on her top twat-munching experiences

THE DEV

These are just some of the gorgeous girls I've managed to share a bed with since I split up with boyfriend two years ago and said enough was enough with men. At least in serious relationships. I've come to love cunt just as much as cock – probably more.

I met a woman at a club who clearly had the hots for me. Her name was Kitty, she was about 25 with long flowing blonde hair and legs that went on for miles. I really fancied her too, and as I hadn't had a cunt for a while I let her seduce me.

We ended up going back to my place. After a glass of wine I suggested I take

her upstairs and show her my dildo collection. Her eyes lit up when she saw my cunt-watering arsenal of love toys. She told me to take my clothes off and lie on the bed. Then she grabbed hold of a massive double dong.

My cunt was wet as anything, but she gave it a good rub anyway to get it even moister. Then she carefully inserted one end of the dildo into my pink hole and began feeding it in. As my cunt swallowed more and more of the massive sex toy, Kitty started to rub my clit. She obviously knew her way around a cunt – she knew exactly where to touch to set me off. Dildo fucking me with one hand and frigging my clit with the other, Kitty

soon had me cumming uncontrollably.

When I had finished, she straddled me. Bending forward to kiss my nipples, she inserted the other end of the double-dong inside her own cunt. She kept feeding it in until we had at least seven inches each deep inside us, leaving only a couple of inches or so on the outside.

As Kitty began to slowly ride me, increasing amounts of the dildo became visible as she rose, before disappearing almost entirely each time she sank back down upon me. She was clearly an expert, and I just lay back and enjoyed her fucking and riding me.

When Kitty was close to an orgasm, she slid off me with the dildo still inside

both of us. Now sitting open-legged closely opposite each other, I moved my fingers down to Kitty's clit and frigged her off. She threw her head back in ecstasy

She turned to me with a long string of anal beads

as the dildo and my fingers brought her to a climax.

After that we had a juicy 69 and really enjoyed tasting each other's cum. Kitty then went back to my dildos. With a

wicked glint in her eye, she turned to me with an eight-inch vibrator and a long solid string of anal beads. She told me to get on all fours on the bed, and I did as I was told.

I felt her tongue probing my soaking cunt. Then a couple of fingers went inside me before they were replaced with the vibrator, buzzing at full speed. Kitty worked the vibrator in and out of my cunt and over my lips and clit. While she did so, she tongued out my arse.

Then, still reaming me out with the vibrator, she gently inserted the anal beads into my arse. Bead by bead, she pushed the toy deeper into my arse. When the toy was over half

way in, she left it there and redoubled her efforts on my cunt and clit with the vibrator.

Just as I was getting close to cumming for a second time, Kitty started to pull the string of anal beads out. As each bead popped out, the orgasmic pressure built up in my cunt. Finally, as the last and largest bead was withdrawn from my anus, I was consumed with a hugely intense orgasm. It ripped through my body, making me shudder all over and scream out loud.

Kitty was so skilful with my dildos she

SPICE OF WIFE

Swinging saved my sex life! It's an unusual situation, and I wouldn't recommend it as a solution for anyone else, but for my husband Mark and me, it has worked.

We've been married for five years, and in the last year or so, my sex drive has gone

got me thinking.

If watching would be enough for him, how would he like to watch me with someone else? Well, I plucked up courage to talk to Mark about it, and after a couple of months I finally did. He was very understanding about my need for sex, but he was dead

ME

with another woman before, but actually doing it?

It took me a while, but I kept thinking about it, and eventually I decided I'd like to give it a go!

Mark and I spoke again and ended up advertising on a couple of internet swinger sites for another couple just like us – a woman for me to be with, and her partner to watch, just like Mark. We didn't think we'd get anyone, but we did!

Jed and Suzie contacted us – it turned out they were very similar to us in many ways, so we arranged to meet up in a pub near their home, and if we hit it off we'd go back to

Suzie took the upper hand and kissed me then began to undress me. Soon we were both naked. It felt so different to feel a smooth female form pressed against me!

She wasn't shy about licking my cunt – again much different to how a man would do it. We got into a 69 so I could lick her too. My first taste of minge was

JED LOVED TO SEE HIS WIFE GET POKED BY ALL AND SUNDAY

through the roof! We used to do it a couple of times a week, but we were down to maybe once a week, and I got the impression that was more than Mark really wanted any more, and that he was just doing it for me.

As we are still very much in love, and have a strong relationship, I spoke to him about it, and he admitted that he just didn't feel horny that often any more.

He said that just watching some tits on telly would be enough for him now, and this

set against me going with another man – we've both been faithful all these years, and he didn't want another man to intrude on that. Of course I understood that – I even expected it!

I was surprised two weeks later when Mark came to me and said, "Helen, I've been thinking about what you said. I'd quite like to see you with another woman!" I was shocked! I'd had a few fantasies about trying it

their place. Well, we met up as planned and we all got along like a house on fire. The main difference between Jed and Mark was that Jed loved to see his wife get poked by all and sundry, and used it to turn him on and then fuck her

We went back to their place and Jed hid himself in a cupboard to watch and Mark sat out on the landing to spy on Suzie and me in the bedroom.

I wasn't sure how to begin, but

amazing! I took to slurping on cunt like a duck to water! It was great and when Suzie produced a dildo and inserted it into me I was cumming in minutes!

I tongued and finger-fucked her to an orgasm – I was proud of myself that I'd made her cum! I almost forgot that Mark and Jed were watching us.

Suzie produced a strap-on from her collection of sex toys, put it on and asked me what position I wanted it in. I got onto all fours, and pointed to my pussy – doggy has always been my favourite fuck position!

She slid the plastic prick into me. It felt cool. Then she started to fuck me with it, gently at first, but getting harder and harder until she

was banging me furiously! I used one hand to fiddle with my clit. I was getting off again. My first lezzie experience and it was great! Better yet, both our men were watching us. I finally came as she rammed the strap-on relentlessly into my hole and I collapsed.

I took a few minutes to recover before donning the strap-on and giving her a go with it. I fucked her as best I could, inexpertly at first, but I soon got the hang of it and was sliding its full length in and out of her soaking wet cunt.

She came, quivering on the fake cock. We were both exhausted. I knew she would have to fuck her husband later too.

Mark was very pleased on the drive home and suggested that we do it again soon, so we've set up another date with Jed and Suzie, and are also looking for more couples willing to entertain our particular tastes.

Lustful Laula's always wanted to play in the Open – but the nearest she's got is having sex in a municipal golf club car park. "I'd always thought golf players were snobby but they're actually really randy. I suppose all that frustration about trying to get into a small hole boils over somewhere. I quite fancy Tiger Woods and he seems like a bit of a goer. Those greens in America are so smooth they'd be perfect for having sex with him on!" We'll be indulging in some stroke play over Laula, anyway.

No-one likes big boobs more than us, we thought. But we didn't count on Alexis (29), who spends hours stroking herself in front of the mirror, hefting her boobs as she plugs her pussy with a massive dildo. "I have a girlfriend with boobs as big as mine. She comes over with a bottle of baby oil and a hold-all full of sex toys. We spend all night slipping and sliding, sucking each other's tits and having sticky sex!" Can we come? "Only if you're good and lick us both out!"

SEX WITH ALL THE STRINGS

Some hair styles should remain in the fashion dumpster. The retro porno muff is one of them, as Daisy Blade discovers

When it comes to sex in a relationship there are some rules that are not as clear-cut as others. One example of this is pubic hair etiquette. While in a long term relationship, knowing what to do with it has to be one of the toughest strings of sex to navigate. Do the wrong thing – grow it too long, trimming a wonky shape into it or vajazzle the lot – and you could set yourself up for sex veto after sex veto from your partner. I know this, because, shockingly, it just happened to me.

As you may have guessed from the nature of my column by now, the boyfriend and I enjoy having a lot of sex. So, it came as a great surprise to me when the number of times we'd fuck/make love/do the horizontal tango each week started to lessen as the month went on. Not only did the amount of sex dwindle, but oral became a word we only started using in relation to dental products, as any chance of me getting a good lickin' vanished.

After much interrogation of Mr Boyfriend on my behalf – which involved cuffs and a spot of queening – and a lot of stuttering on his to avoid "hurting my feelings", it turns out that the reason for our lack of bedroom action was thus: my muff had got too big.

The truth was out. Not in our years of being together did I think that pubic etiquette played such a role in our sex life. I was literally having my orgasms held to ransom by my short and curly bits!

Sure, I'd always kept it neat down there, as he did for me, but recently I had come to indulging in a Merry Month of Muff. Growing it out isn't a common occurrence; the muff was prompted because I thought I'd try something a bit different. You could say I was going for the retro porn star style. It was an experiment to see if it made sex feel any better or worse and part of it (admittedly

was because I got lazy and enjoyed not worrying about it.

Having been together for years and knowing how good it is when we fuck, I didn't think he'd mind so much. Whipping out the razor to save the embarrassment of spider legs sticking out of the side of your sexiest thong when you get a last minute call from a fuck buddy is one thing. Being with someone for years, where appearances shouldn't be everything because you know each other well enough and so letting the bush grow for once, is quite another.

Some men really like a big, bushy muff. I've seen enough fetish sites to witness how much certain guys enjoy burying their faces in a mound of pubes. Unfortunately my fella is not one of them.

As I sit here, writing this, my pubic area looks like a freshly plucked chicken. Giving in to the pressure of wanting orgasms rather than a muff, I took myself to the waxers for a Brazilian. Some of the things you agree to do for love are odd and allowing another woman in white pyjama-like clothing to rip out all of your pubic hair and then pay her for the privilege is one of the oddest pre-coital rituals I am aware of.

Don't worry, I'm not about to go all mad feminist and recite some bullshit about how women shouldn't have to wax their nethers simply for the benefit of their other half, but I am a woman currently mourning the loss of her muff due to relationship pressures (and the withholding of pleasure).

Looking down at the bare landscape, punctuated with red dots it's hard to feel sexy right now. However, demanding oral sex is a lot less guilt-ridden since I've got rid of my back and sides and his excuses don't fly. Now we just have a whole extra month of fucking to catch up, so it's smooth sailing until next time...

The average car park attendant must have seen a few things in his time – drug deals gone wrong, gun battles, Alf Roberts from Corrie sailing on to the concrete. But nothing could beat these subterranean shenanigans with Stacey, who couldn't wait to get into the Paul Raymond studio: she started stripping in the underground car park!

Sami confesses: "Last Friday I ordered a pizza and garlic bread to tear and share with my best mate, but we ended up tearing the pizza guy's clothes off and sharing his cock between us! I sat on his cock while my mate sat on his face. We wouldn't let him get back on his moped till he'd made both of us cum! We get a lot of free pizza now!"

But, as I felt that huge, meaty tool open up my arse, then slide in deeper, I knew this was just the start, and a one-off wouldn't satisfy me. I started rubbing my clit faster,

Rim'll fix it

My other half is perfect for me and keeps my pussy well fucked. But unfortunately for me he hates the idea of anal. I started to get turned on by the idea a couple of years back but no amount of hinting, asking or even pleading would get my back door banged!

When it became such an obsession that I felt frustrated in my otherwise great marriage, I decided playing away was the only option. I posted that I was inexperienced and in need of anal training. And out of the many offers, I picked Liam.

He was a little older and in a similar situation – his wife didn't totally deny him, but he didn't get as much anal as he'd have liked.

We met in a hotel and

pack of lube and smeared it on my arsehole, spreading it

and could only moan when Liam asked did I like it.

It felt so much more intense than a cock up the pussy. Liam took it slow, controlled, using his hands to stir and twist me on his probing cock. He didn't rush me, just

HIS MEATY TOOL OPENED UP MY ARSE

started with me face-down on the bed. My arse is plump and round with smooth, soft skin, and Liam asked would I mind if he just licked it for a while. He took ages over it, tonguing and nuzzling my cheeks as well as my crack, then he opened up a little

told me to rub my clit while he penetrated me, saying it would help me to take his prick.

A weird part of me was hoping I'd hate it, so I could just go home and spend the rest of my life getting my pussy fucked by my hubby.

pushed in a little deeper every time until I finally felt his balls brush up against me.

He leaned forward, breathing in my ear that I should cum for him, his hard-on snagging against the top of my arse-opening.

With a shudder, I orgasmed, but told him to keep on fucking me.

I was a mess and he was trying to take it gently for my sake, but now I was starting to feel his shaft jerk inside me. I moaned again and squeezed him tight and after a couple more thrusts, I felt his hot cum spurt out in my pulsating arse.

He pulled out slowly – I felt every inch and ridge and vein of his beautiful cock. My hand crept down to my clit and I felt myself start to cum again at the thought of my filthiness!

We meet up every few weeks – I've screwed and sucked him but we have to do anal at least once. That's what we're both there for.

I really do need my regular anal fix! Sara, Cheshire

PENNY

Like milkmen, branches of C&A and porn mags in bushes, you don't see many old school bushes (like Penny's sporting) these days. Bringing back a rush of memories from the nineties like an old Prodigy tune, 21-year-old Penny's Ford Ka curves and neatly trimmed pubes are the perfect treat for the gentleman who thinks modern civilisation peaked in the summer of 1996.

"I was too young for the nineties, but shagging and drinking are timeless aren't they?" muses Penny. Thank God.

REAL WIFE SEX

Jenna's story continued from page 19

had me cumming again and again all night.

There was also this girl at work called Sam who I recently had a bit of a sesh with. She is short and petite with a blonde bob and small but perfectly

formed tits with little nut-brown nipples. They are perfect for chewing on!

We were chatting one lunchtime, about sex as usual, when we both said how much we liked women. Quite matter-of-factly, she suggested we have a shag sometime. I was a bit taken aback but definitely well up for it.

That night she came round and after

my hand went between her legs. I could feel the warmth of her cunt through her tight trousers and I couldn't wait to taste it.

I pulled her trousers and knickers off and she removed her top and bra. When she was lying there on the bed, her trim tanned little body waiting expectantly, she looked horny as fuck.

I threw my clothes off and buried my head between her legs. I kissed all over her smooth shaven mound and my tongue found her slit. I parted her sticky lips with my tongue and licked up and down her gash. She

wriggled with pleasure when I found her clit and sucked hard on it.

Then I introduced my favourite dildo into proceedings. I sat on a chair in front of Sam and put my feet up on the bed. Leaning back, I slowly inserted the eight-

inch phallus into my soaking cunt. I frigged my clit and started fucking myself with it, putting on a performance for Sam's benefit. She watched intently as the dildo plunged in and out of my leaking hole. As she watched, her hand found her clit and she

started wanking.

We masturbated in front of each other. I was the first to cum, juice pouring out over my dildo as I climaxed. Then Sam started frigging herself faster, telling me she was going to cum. She trembled all over and cried out as she came.

Then she got off the bed and kneeled down in front of me. She took the dildo and licked my juices from it. Next she closed her mouth over my cunt, slurping

watching a film and drinking some wine I asked her to come upstairs with me. When we got to my room she lay down on my bed and I got on top of her, missionary style if I was a bloke. I kissed her soft lips and

my cum and sucking on my puffy cunt lips. Then she teased my sensitive clit with the tip of her tongue. She soon had me back on the crest of a wave. When I came the intense pleasure seemed to last for ages, it was amazing.

Later on she showed me what she could do with a dildo. Sam has taught me a lot about lezzie sex, and she gives me bigger and better orgasms than anyone else. ☺

ANNA

Our geography skills are patchy – except when it comes to finding our way around the female body. Tits, fanny, barse, that slight imperfection they can't stand being pointed out – we're experts. So's Anna here with the male anatomy. "I know just which part of your cock to suck and nibble to send you spurting into my mouth!" That's any part of ours, Anna!

Present Company

My boyfriend Jay and I decided that last Christmas we were going to be selfish fuckers. Literally!

We'd had one too many Christmases of being run ragged trying to keep other people happy – and wishing we hadn't bothered.

Pleading poverty, we put a £10 cap on presents for close friends and family, and blew what we saved on champagne and gourmet nibbles. Then we spent the entire day lounging in bed, watching TV, shagging and enjoying our own sexy prezies, like undies and toys!

After I'd given Jay a "bubbly blowjob", swallowing enough champagne to get nicely tipsy,

he got me in position to drink some out of my snatch. The blood went to my head making me even dizzier, and Jay didn't so much drink it out of me as

pour it over my crease and lap it up so it was fizzing against me.

I still had spunk inside me from our first fuck of the day, and that just made the champagne even more foamy – then he just handed me the bottle and drank his fill of the juices seeping out of me.

I was already moaning when

me to suck on it. It had a big, firm helmet that crammed my mouth full, and then Jay filled my pussy with his cock.

I don't even know what you'd call the position he got me into – some kind of cross between "piledriver" and yoga, according to Jay! He was screwing in at an angle and could easily reach my clit. But then I handed him this little

Parcel sauce

I'm a delivery van driver and I'll admit I take advantage of the opportunities that have a habit of flinging themselves at me.

You get all sorts – housewives, women working from home who fancy a fuck at lunchtime or get a thrill out of the fact they're taking cock when they should be grafting, women pulling sickies...

One afternoon recently, I got a call through saying a parcel I'd had in my van all day needed to take priority. It was already a day late and the woman waiting for it kept

calling the office and playing hell.

I'm charming when I need to be so when Holly opened the door, ready to give me an earful, I flashed a smile and did my "humbly sorry" act.

When I said I'd do whatever I could to make things right, she told me I might regret saying that. She put her parcel down unopened, and grabbed the front of my T-shirt.

She pulled me towards her, and her other hand immediately snaked into

my jeans. "Make it quick so you don't run late again," she said.

We shuffled into the living room and got on the couch, and she knelt down in front of me to play with my prong. She must

have given every millimetre of it some attention, squeezing my balls as she ran just the tip of her finger around the ridge of my helmet. Then she started

wanking me, clenching it tight in her fist and sliding her whole hand up and down it as it hardened and thickened.

As the pre-cum welled up

he traced a fingertip around my arse, then remembered he'd bought me a butt-plug – a clear one with sparkly glitter inside! It had come with some heavy-duty lube, and slid so easily up my arsehole I thought it was just his finger.

Next he stuck my new dildo up my pussy, before handing it back flavoured with pussy juices and champagne, telling

pocket vibrator he'd got me as a (fishnet) stocking filler, and came almost instantly he touched me with it.

My head was spinning from the champagne – I felt like I might pass out. But instead, I just focused on what I was feeling in between my legs, and the climax just kept pulsing out in waves, shaking my body against Jay's.

And it wasn't long before Jay was cumming too. As he jizzed he grabbed the champagne and pulled his cock out, spunking then dripping more of it into my snatch, pounding back in so it

at my tip, she worked it into my shaft, and when she felt even the slightest jump, she'd squeeze underneath my head which held me off cumming for a bit longer.

I was desperate for her to suck me but instead she undid the top two buttons of her blouse, popped her

fountained out and down over my tits and belly. I worked it in with my hands and had another taste, offering my fingers to Jay as well.

We had some of the best fucks ever – one time I was flat out on the bed and Jay just laid over me, slowly pumping his cock inside me with his hands under my flattened tits.

We didn't totally get out of the family visits, though delaying them for a few days made all the difference – we stayed so chilled out we were stress-proof!

started to play my tip over her nipple, so the rock-hard teat of it was teasing my most sensitive points.

Her fingers were getting busy with my balls again and as I felt myself slip close to

the edge, she just let me go with it. Her expert hand wanked me as I shot my wad, coating her nipple and a lot of the tit-flesh around it with hot, fresh jizz.

If that was

the finale, I got an encore too – she lifted the nipple up to her mouth and lapped my creamy seed off it. It was a seriously horny sight – like these photos which still keep my cock happy!

right tit out of her bra then we shifted position so I could suck her nipple.

From all the little shudders and wriggles I felt, this was really doing it for her, but she kept on wanking my cock. And then she pulled free, and

He started out screwing me doggie style, but then something caught his eye – a bottle of olive oil

HIS OILED-UP BALLS SLIPPED AND SLID OVER MY PUSSY LIPS

The best one so far was in the kitchen, on a Saturday morning. I'd been woken up by a hard-on in the back, and Jamie pulled me on top of him.

I rode him really hard, slamming up and down, fucking his cock. There was a bit of a break when he had me take him all the way then fingered me to an orgasm so he could feel it around his prick. Then it was back to riding him so by the time he came too, I was shagged ragged.

He followed me into the kitchen, trying me out in different positions. He was already hard again and the sight of his stiff cock got me

right up against me as he poured more on his prick, and it barely took a push for him to slip inside me.

I felt like it was stuffing me full yet it was sliding smoothly in and out, his oiled up balls slipping and sliding over my pussy lips. So I reached down and splayed them, exposing my inner lips and clit.

I came hard as Jamie emptied his oily balls up my slippery bum. House well and truly warmed!
